MARKDALE CENTRE GREY HOSPITAL

4th Annual Golf Tournament for the Markdale Centre Grey Hospital

We would like to take this opportunity to invite you to be part of the 4th Annual Sea & Ski Charity Golf Tournament for the Markdale Hospital.

In 2022 we were able to raise over \$38,000, thanks to our sponsors, our prize donors, volunteers, and our golfers. All the funds raised are going to help the operation and funding for Centre Grey Hospital in Markdale. If you're not aware yet, construction on the new Hospital is well under way and scheduled to open in 2023.

The Centre Grey Hospital helps numerous people throughout the area providing services such as 24-hour emergency care, acute hospital care, palliative care, endoscopic procedures, diagnostic imaging, physiotherapy, and laboratory services. The government provides less and less funding for the equipment, furniture, and technology in our hospitals and as such, the CGHF relies on donations from the community to raise \$500,000 each year to ensure the hospital has what it needs to function efficiently. We cannot do this without your help. The support you give today will provide quality health care close to home for you, and your family for generations to come. Every donation has the potential to save a life.

We have included for you, a list of Sponsorship Opportunities that are available. This list includes larger sponsorship opportunities along with sponsorship by donating items needed for the event. Big or small, every bit helps.
